MORNING MEETING ACTION ITEM

TO: DD/I
DD/P
D/OCI

25X1 [] noted the volume of traffic from Latin America regarding telephone threats and other nervous indications of possible attempts on U. S. ambassadors or key American officers. He noted that he has not published on these items and sought the Director's guidance on how to handle this information. The Director noted that OCI should not assume responsibility for the dissemination of such information and that the DD/P will provide appropriate State desks with the pertinent information as required.
